Localización del Factor de Impacto (FI)

1. Ingrese a <https://mjl.clarivate.com/home>

The screenshot shows the homepage of the Master Journal List. The browser address bar displays "mjl.clarivate.com/home". The navigation menu includes "Master Journal List", "Search Journals", "Match Manuscript", "Downloads", and "Help Center". There are "Login" and "Create Free Account" buttons in the top right. The main heading reads "Browse, search, and explore journals indexed in the Web of Science". Below this, a paragraph describes the Master Journal List as an invaluable tool for finding journals across multiple indices. A search bar is present with the placeholder text "Search Journal, ISSN or title word...". To the right of the search bar is a "Search Journals" button. Below the search bar, there is a section titled "Already have a manuscript?" with a "Match Manuscript" button. The page also includes a "Our policy towards the use of cookies" link at the bottom left.

2. En el buscador capture el nombre de la revista en la que publicó su artículo (ej. Journal of Volcanology and Geothermal Research) y de clic en [Search Journals](#)

This screenshot is identical to the previous one, but the search bar now contains the text "Journal of Volcanology and Geothermal Research". The "Search Journals" button is highlighted, indicating it has been clicked. The rest of the page content remains the same.
